## INDEPENDENT AUDITOR'S REPORT

---

To the Members of Rethink Breast Cancer Canada

### *Qualified Opinion*

We have audited the financial statements of Rethink Breast Cancer Canada (the organization), which comprise the statement of financial position as at March 31, 2023, and the statements of revenues and expenditures, changes in net assets and cash flow for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the possible effects of the matter described in the *Basis for Qualified Opinion* section of our report, the accompanying financial statements present fairly, in all material respects, the financial position of the organization as at March 31, 2023, and the results of its operations and cash flow for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations (ASNPO).

### *Basis for Qualified Opinion*

In common with many not-for-profit organizations, the organization derives revenue from fundraising activities the completeness of which is not susceptible to satisfactory audit verification. Accordingly, verification of these revenues was limited to the amounts recorded in the records of the organization. Therefore, we were not able to determine whether any adjustments might be necessary to fundraising revenue, excess of revenues over expenses, and cash flows from operations for the year ended March 31, 2023, current assets and net assets as at March 31, 2023. Our audit opinion on the financial statements for the year ended March 31, 2023 was modified accordingly because of the possible effects of this scope limitation.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the organization in accordance with ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

### *Responsibilities of Management and Those Charged with Governance for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with ASNPO, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the organization's financial reporting process.

(continues)

*Auditor's Responsibilities for the Audit of the Financial Statements*

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

### NATURE OF ORGANIZATION

Rethink Breast Cancer Canada (the "organization") is a national organization raising funds to fight breast cancer through the advancement of education and research. The organization was incorporated without share capital under the Canadian Corporations Act on March 15, 2001, is a registered Canadian charity, and is exempt from income taxes.

---

### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### Basis of presentation

The financial statements were prepared in accordance with Canadian accounting standards for not-for-profit organizations (ASNFPO).

#### Revenue recognition

Rethink Breast Cancer Canada follows the deferral method of accounting for contributions.

Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Restricted investment income is recognized as revenue in the year in which the related expenses are incurred. Unrestricted investment income is recognized as revenue when earned.

#### Cash and cash equivalents

Cash and cash equivalents consist of unrestricted cash and investments with an initial maturity of three months or less at the time of acquisition.

#### Short-term investments

Investments for which there are quoted prices in an active market are carried at fair value. Unrealized gains or losses are reported as part of net income. Investments for which there is not an active market are carried at amortized cost except when it is established that their value is impaired. Impairment losses, or reversal of previously recognized impairment losses, are reported as part of net income.

#### Equipment

Equipment is stated at cost or deemed cost less accumulated amortization. Equipment is amortized over its estimated useful life at the following rates and methods:

Computer equipment	45%	declining balance method
Furniture and fixtures	20%	declining balance method

The organization regularly reviews its equipment to eliminate obsolete items. Government grants are treated as a reduction of equipment cost.

Equipment acquired or under development during the year and not placed into use are not amortized until they are placed into use.

## Notes to Financial Statements

Year Ended March 31, 2023

---

### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (*continued*)

#### Deferred capital

Capital contributions received for the purpose of acquiring equipment are deferred and amortized on the same basis, and over the same periods, as the related equipment.

#### Intangible assets

Website development costs are capitalized if they significantly enhance the capability or capacity of the company's website. Costs capitalized include external direct costs of materials and services. Any costs during the preliminary project stage or related to training or maintenance is expensed as incurred. Capitalization ceases when the projects are substantially complete and ready for their intended use.

#### Contributed services

The organization receives contributed services (contributions-in-kind) from various organizations and individual volunteers. These items are recorded in the financial statements only when the fair market value can be reasonably estimated.

#### Donated goods

Donated goods are recorded at their fair market value at the time of the donation. During the year \$Nil in equity securities were donated (2022 - \$Nil).

#### Allocation of expenses

When allocating an expense among various operating functions, the organization follows the following approach:

For an expense that contributes directly to the output of one function it is applied directly to that function.

For all other expenses, the organization uses the percentage of employee time by function and allocates based the relevant percentage.

# RETHINK BREAST CANCER CANADA

## Notes to Financial Statements

Year Ended March 31, 2023

---

### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (*continued*)

#### Measurement uncertainty

Certain amounts in the financial statements are subject to measurement uncertainty and are based on the organization's best information and judgment. Actual results could differ from these estimates.

Examples of significant estimates include:

- providing for amortization of property, plant and equipment;
- the estimated useful lives of assets;
- the collectibility of accounts receivable;
- the recoverability of tangible assets;
- the valuation of contributed goods and services

#### Financial instruments policy

Financial instruments are recorded at fair value when acquired or issued. In subsequent periods, financial assets with actively traded markets are reported at fair value, with any unrealized gains and losses reported in income. All other financial instruments are reported at amortized cost, and tested for impairment at each reporting date. Transaction costs on the acquisition, sale, or issue of financial instruments are expensed when incurred.

#### Impairment of Long Lived Assets

The organization tests for impairment whenever events or changes in circumstances indicate that the carrying amount of the assets may not be recoverable. Recoverability is assessed by comparing the carrying amount to the projected future net cash flows the long-lived assets are expected to generate through their direct use and eventual disposition. When a test for impairment indicates that the carrying amount of an asset is not recoverable, an impairment loss is recognized to the extent the carrying value exceeds its fair value.

#### Leases

Leases are classified as either capital or operating leases. At the time the organization enters into a capital lease, an asset is recorded with its related long-term obligation to reflect the acquisition and financing. Rental payments under operating leases are expensed as incurred.

#### Pledges

Pledges which are legally enforceable (less an allowance for amounts considered uncollectible) are recorded as receivable in the year made. Pledges to support current operations are recorded as general fund receipts. Pledges made for the acquisition of property or to support future operations are recorded as deferred amounts in their respective fund.

## RETHINK BREAST CANCER CANADA

### Notes to Financial Statements

Year Ended March 31, 2023

---

#### 5. DEFERRED CONTRIBUTIONS

Deferred contributions represents unspent resources received for which expenses have not yet been incurred. The ending balance represents funds that have been donated and granted to the Organization and set aside for future uses. The deferred contributions balance is as follows:

	<u>2023</u>	<u>2022</u>
Balance at the beginning of the year	\$ 122,062	\$ 150,000
Contributions received	487,944	657,116
Amounts recognized as revenue	<u>(610,006)</u>	<u>(685,054)</u>
Balance at the end of the year	<u>\$ -</u>	<u>\$ 122,062</u>

---

#### 6. EXPENSE ALLOCATION

Salaries and benefits of \$393,047 (2022 - \$408,849) were allocated to program expenses in the amount of \$344,767 (2022 - \$326,620) and administrative expenses in the amount of \$48,279 (2022 - \$82,229).

---

#### 7. CANADA EMERGENCY WAGE SUBSIDY

In 2020, the company applied for the Canadian Emergency Wage Subsidy (CEWS) offered by the Government of Canada to help businesses keep workers on their payroll through the challenges posed by the COVID-19 pandemic. Under the original program of the CEWS the Company was eligible to receive up to 75% on wages of up to \$1,129 per week per employee (equal to a maximum of \$847) for up to 24 weeks, retroactive to March 15, 2020. The CEWS was subsequently amended with redesigned subsidy details for periods between July 5, 2020 and November 21, 2020. The amendments provide for a 85% maximum combined subsidy percentage on wages of up to \$1,129 per week per employee (equal to a maximum of \$960) that is proportional to the percentage of revenue decline. The maximum subsidy percentage is achieved with revenue declines of 70%. The maximum subsidy percentage will be gradually reduced over the amended subsidy period to November 21, 2020. The last claim period for the program was September 26, 2021 to October 23, 2021.

For 2023, the company did not receive benefits through the CEWS program. Rethink received \$74,660 in 2022.

---

#### 8. CANADA EMERGENCY BUSINESS ACCOUNT LOAN

In 2021, the company received an interest-free loan of \$60,000 through the Canada Emergency Business Account program. This loan was created by the federal government to assist businesses during the COVID-19 pandemic. The loan is forgivable (up to \$20,000) if the company repays the loan or before December 31, 2023. If the loan is not repaid by that date, the loan can be converted to a three-year term loan bearing interest at 5% per annum. \$40,000 (2022 - \$40,000) is still repayable after year-end.

---

# RETHINK BREAST CANCER CANADA

## Notes to Financial Statements

Year Ended March 31, 2023

---

### 9. COMPARATIVE FIGURES

Certain comparative amounts have been reclassified to conform to the current year's presentation.

---

### 10. FINANCIAL INSTRUMENTS

The organization is exposed to various risks through its financial instruments and has a comprehensive risk management framework to monitor, evaluate and manage these risks. The following analysis provides information about the organization's risk exposure and concentration as of March 31, 2023.

#### Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities. The organization is exposed to this risk mainly in respect of its receipt of funds from its donors and other related sources, and accounts payable and accrued liabilities.

#### Market risk

Market Risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency rate risk, interest rate risk and other price risk. The organization is mainly exposed to interest rate risk and other price risk.

#### Interest rate risk

Interest rate risk is the risk that the value of a financial instrument might be adversely affected by a change in the interest rates. In seeking to minimize the risks from interest rate fluctuations, the organization manages exposure through its normal operating and financing activities. The organization is exposed to interest rate risk primarily through its cash held in a high interest savings account.

#### Other price risk

Other price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk), whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market. The organization is exposed to other price risk through its investment in quoted shares.

---
