

A cartoon illustration of a space station in space. The station has various modules, including a large blue dome, a yellow solar panel, and a grey module with the word 'SCHEDULE' written on it. A long, coiled white cable extends from the station into the dark blue space filled with stars. Two astronauts are visible: one is floating in the upper left, and another is standing on a platform near the blue dome. A large pink circle is overlaid in the center of the image, containing the text 'LIVE LAUGH LEARN Mission: Recovery'.

LIVE LAUGH LEARN
Mission: Recovery
